WHAT CLIENTS HAVE SAID ABOUT OUR SERVICES:

The ProMotion team has been more than amazing since utilizing their services. Not only have we seen an increase in demand for live music, but the acts they set up for us are top notch and always provide a wonderful show. The marketing they put alongside each act has people coming in days before asking about it. James and his ProMotion team are definitely the way to go for your marketing and entertainment needs.

ProMotion has really helped us tap into the local talent in the Pigeon Forge area. The crew is very professional and easy to work with, highly recommended!
